Dear Bill:

Thanks for the note and informing me about Nancy Berry. Her qualifications are excellent and I'm sure she is as capable as you describe her. Unfortunately, I do not have any positions on my staff. As you may know, we have Foreign Service Officers in the various divisions, thus making it difficult to hire many people outside of the Department. I will pass her information on to the Equal Employment Office since there are programs of recruitment for women and minorities.

I am sorry I cannot be of more assistance. In any event, I enjoyed your letter and look forward to seeing you again.

With best regards,

Patricia M. Derian
Coordinator for Human
Rights and Humanitarian Affairs
